

Biz Card Trim Size: 3.5" x 2"

The diagram illustrates the layout of a business card with various boundaries. A solid pink line represents the trimline, which is the final size of the card. A dashed green line represents the safety margin, which is the area where content should be placed to avoid being cut off. A dashed blue line represents the bleed area, which is the area where the design can extend to the edges of the card. A dashed pink line represents the fold line, which is the line where the card is folded. The text 'Biz Card Trim Size: 3.5" x 2"' is centered within the trimline.
